PART ONE

STATEMENT OF RATES AND CHARGES—WATER DIVISION

E. Central Arizona Groundwater Replenishment District Adjustor Charge.

1. CAGRD Adjustor Mechanism. In Decision No. 71854 dated August 24, 2010, the Arizona Corporation Commission authorized the Company to implement a Central Arizona Groundwater Replenishment District ("CAGRD") adjustor mechanism to recover the annual tax assessments imposed upon the Company by the CAGRD as a result of the Company's membership in the CAGRD. Accordingly, in addition to all other applicable rates and charges in this tariff, each customer shall pay a monthly CAGRD adjustor charge per thousand gallons of water delivered, as set forth below, effective for all water service rendered in all water service areas for all classes of service on and after June 1, 2010, in accordance with all conditions set forth in Decision No. 71854. The CAGRD adjustor fee shall be calculated as follows: The total CAGRD fees for the most current year in the Phoenix Active Management Area ("Phoenix AMA") shall be divided by the gallons sold in that year to determine a CAGRD fee per 1,000 gallons delivered to customers in the Phoenix AMA. Similarly, the total CAGRD fees for the most current year in the Pinal Active Management Area ("Pinal AMA") shall be divided by the gallons sold in that year to determine a CAGRD fee per 1,000 gallons delivered to customers in the Pinal AMA. By August 25th of each year, the Company shall submit for Commission consideration its proposed CAGRD adjustor fees for the Phoenix AMA and the Pinal AMA, along with the calculations and documentation from the relevant state agencies to support the data used in the calculations. The Commission-approved CAGRD fees shall become effective on October 1 and shall remain in effect until the next CAGRD fee is calculated and approved. To prevent over or under recovery of CAGRD assessments, an annual true-up shall be performed at the time the Company submits its proposed CAGRD adjustor to the Commission. Any over or under recovery of CAGRD fees shall be included in the next year's computation.

2. CAGRD Adjustor Fees. A CAGRD adjustor fee shall be applicable to each thousand gallons of water sold, as follows:

<u>AMA Where Customer Resides:</u>	<u>Rate Per Thousand Gallons of Water Delivered:</u>
Phoenix AMA	\$1.61 (effective 12/1/2014)
Pinal AMA	\$0.27 (effective 2/1/2015)

Issued: February 9, 2015

Effective: February 1, 2015
